

The Institute of Cybernetics at Tallinn University of Technology
seeks applicants for the following positions:

LABORATORY OF SYSTEMS BIOLOGY

senior researcher in engineering physics and biophysics

1 position, work load 1,0 for the period 01.01.2013 – 31.10.2018

LABORATORY OF PHOTOELASTICITY

senior researcher in photoelasticity

1 position, work load 1,0 for the period 01.01.2013 – 31.10.2018

MECHANICS AND APPLIED MATHEMATICS DEPARTMENT

researcher in econophysics

1 position, work load 0,25 for the period 01.01.2013 – 31.10.2018

SOFTWARE DEPARTMENT

senior researcher in computer science

1 position, work load 1,0 for the period 01.01.2013 – 31.10.2018

researcher in computer science

1 position, work load 0,25 for the period 01.01.2013 – 31.10.2018

Applicants should submit the following documents:

- (1) Cover letter addressed to the Director of Institute of Cybernetics at TUT;
