

Institute of Cybernetics at Tallinn University of Technology  
**solicits applications for the following positions:**

#### **LABORATORY OF PHOTOELASTICITY**

**senior researcher** in photoelasticity

1 position, work load 1,0 for the period 01.11.2008 - 31.10.2013

1 position, work load 0,5 for the period 01.11.2008 - 31.10.2013

#### **LABORATORY OF PHONETICS AND SPEECH TECHNOLOGY**

**senior researcher** in speech technology

1 position, work load 1,0 for the period 01.11.2008 - 31.10.2013

**researcher** in speech technology

2 positions, work load 1,0 for the period 01.11.2008 - 31.10.2013

#### **DEPARTMENT OF MECHANICS AND APPLIED MATHEMATICS**

**senior researcher** in nonlinear dynamics

2 positions, work load 1,0 for the period 01.11.2008 - 31.10.2013

**senior researcher** in applied mathematics

2 positions, work load 1,0 for the period 01.11.2008 - 31.10.2013

1 position, work load 0,5 for the period 01.11.2008 - 31.10.2013

**researcher** in nonlinear dynamics

4 positions, work load 0,5 for the period 01.11.2008 - 31.10.2013

**researcher** in applied mathematics

1 position, work load 1,0 for the period 01.11.2008 - 31.10.2013

#### **CONTROL SYSTEMS DEPARTMENT**

**senior researcher** in control theory

1 position, work load 1,0 for the period 01.11.2008 - 31.10.2013

1 position, work load 0,5 for the period 01.11.2008 - 31.10.2013

#### **SOFTWARE DEPARTMENT**

**senior researcher** in computer science

3 positions, work load 1,0 for the period 01.11.2008 - 31.10.2013

2 positions, work load 0,5 for the period 01.11.2008 - 31.10.2013

**researcher** in computer science

1 position, work load 1,0 for the period 01.11.2008 - 31.10.2013

Applicants must submit the following documents:

- (1) application addressed to the Director of Institute of Cybernetics at TUT;
- (2) *Curriculum vitae*;
