

Institute of Cybernetics at Tallinn University of Technology

solicits applications for the following positions:

DEPARTMENT OF MECHANICS AND APPLIED MATHEMATICS

leading research scientist in wave dynamics

1 position, work load 1,0 for the period 01.01.2009 - 31.12.2013

senior researcher in nonlinear dynamics

1 position, work load 1,0 for the period 01.01.2009 - 31.12.2013

senior researcher in nonlinear wave propagation

2 positions, work load 1,0 for the period 01.01.2009 - 31.12.2013

1 position, work load 0,5 for the period 01.01.2009 - 31.12.2013

CONTROL SYSTEMS DEPARTMENT

senior researcher in formal methods in distributed and embedded systems

1 position, work load 1,0 for the period 01.01.2009 - 31.12.2013

SOFTWARE DEPARTMENT

researcher in software engineering

2 positions, work load 1,0 for the period 01.01.2009 - 31.12.2013

Applicants must submit the following documents:

- (1) application addressed to the Director of Institute of Cybernetics at TUT;
- (2) *Curriculum vitae*;
- (3) original or legally certified copy of proof of higher education or degree certificate;
- (4) list of publications;
- (5) other documents the applicant sees relevant or important.

Application deadline **November 28th, 2008.**

Documents should be sent in the name of the Director of Institute of Cybernetics at TUT to the following address: Akadeemia tee 21, 12618 Tallinn
