

Institute of Cybernetics at Tallinn University of Technology  
**solicits applications for the following positions:**

### **DEPARTMENT OF MECHANICS AND APPLIED MATHEMATICS**

**senior researcher** in nonlinear dynamics

1 position, work load 1,0 for the period 01.09.2010 – 31.08.2015

### **CONTROL SYSTEMS DEPARTMENT**

**leading research scientist** in control theory

1 position, work load 1,0 for the period 01.10.2010 – 31.09.2015

### **SOFTWARE DEPARTMENT**

**senior researcher** in logic and semantics

1 position, work load 1,0 for the period 01.09.2010 – 31.08.2015

**senior researcher** in software engineering

1 position, work load 0,25 for the period 01.09.2010 – 31.08.2015

Applicants must submit the following documents:

- (1) application addressed to the Director of Institute of Cybernetics at TUT;
- (2) *Curriculum vitae*;
- (3) original or legally certified copy of proof of higher education or degree certificate;
- (4) list of publications;
- (5) other documents the applicant sees relevant or important.

Application deadline **May 25<sup>th</sup>, 2010.**

Documents should be sent in the name of the Director of Institute of Cybernetics at TUT to the following address: Akadeemia tee 21, 12618 Tallinn
